

Mike (micky) ^{HA HA}

Hello Sweetie! Mike, I gotta tell you, without you in my math class it would of been mighty boring. You are a total sweetie and I'm glad I got to meet you this year. I just hope I have some classes with you next year. Its very unlikely but it could be possible. Did I tell you that this must be your lucky day, you know why? Because I'm signing your yearbook not to mention getting my signature when I'm finished. (Just bking) ^{HA HA}
Seriously, I would of never got through math without you! (HA HA) If you catch my drift, . Have a GREAT summer and when your having fun, think of me "K" CUZ I might not be having as much fun as you.

In Loving Memory of Jon Brice

September 5, 1967 - March 27, 1985

*Do not stand at my grave & weep; I am not there -
I do not sleep.*

*I am a thousand winds that blow; I am the diamond
glints on snow.*

*I am the sunlight on endless seas, & the spring rain
through tears you see.*

*When you awaken in the morning's hush; I am the swift
uplifting rush of quiet birds in circled flight;*

I'm the brightest star at night.

*Do not stand at my grave and cry; I am not there -
I did not die.*

*A boyish grin - a wave of his hand; showed Jon was a
sensitive, caring young man.*

*Tall in stature - somewhat shy; all who knew him still
ask why?*

*He chose to burden himself instead of his friends; while
inwardly wrestling with becoming a man.*

*A dangerous age - mis-understood; we all feel the pain
& maybe we should -*

Of words left unsaid, a phone call not placed;

a praise

a promise

or a love could erase.

*To fill a void, unlock a mind - bring his soul out of the
rain & buy more time.*

*He wasn't a star but needed to shine - we may never
know what thundered through his mind on that day; or
what problems came to bear that swept his life away . . .*

*But the music played, & the lights grew dim & the
powerful shot hollered out for him.*

It made people think -

It made people cry -

It brought people together & made friends try -

Without words Jon helped others in this way.

His spirit is alive forever we pray

Dianna Marie Thompson

Dianna has touched the lives of so many, both young and old alike. She was a very special kind of person who could allow the Love of her Lord to shine through her and touch others. This is what made her so very sensitive to the needs of others. She valued, very highly, her many friendships

If Dianna could leave one thought for us, it would be to share her Lord more, in each and every way. For it's through His love that friendships are built and true caring and sharing take place. We look forward to seeing her again in the new world our Lord has promised us

Thank you, Dianna, for loving us so much

Pope John Paul II was traveling pope in 1984. In May he went to South Africa, Thailand, Papua New Guinea, and the Solomon Islands. In June he went to Switzerland. In September he traveled to Argentina and in October to the Dominican Republic and Puerto Rico. The photo shows the pope in Mt. Hagen, Papua New Guinea, where he met some of the 30,000 natives that turned out to welcome him in the flight and jungle.

Burt Reynolds received an Oscar for his role as a washed-up country singer who overcomes alcoholism in the film "Tender Mercies."issy MacLaine won for best actress and Jack Nicholson won for best picture for "As in the Center of the Earth" and "The Untouchables." Terms of Endearment, which also won the best picture award, had best supporting actress Joanne Whalley-Kilmer for her role in "The Untouchables." The photo shows MacLaine and Reynolds.

After years of civil war, elections were held in El Salvador in 1984. José Napoleón Duarte was elected President in what international observers called the most open and free election in that country in 50 years. The photo shows a soldier reading a newspaper at the Roca checkpoint near El Salvador; the headline was "There's Faith in the El Salvador Process." The United States Marines arrived in Beirut in 1982. Lebanon was torn by civil war and foreign invasion. In 1983, when the Marines left, more than 260 Marines were dead. Lebanon was still at war with most of its territory occupied by foreign troops and its government tottering. The price of President Reagan's commitment was too high: the Marines left Beirut.

The "Off the Wall" editor, Gregg Gerber, a senior this year, was the only remaining staff member from the 1984 yearbook. Gregg worked hard to get the book and the staff put together. He had to work with a small staff which was very difficult. Gregg was not only our boss but our friend. Good luck Gregg.

"Off the Wall," inspired by an undersized volunteer
 staff, was put together through sheer devotion and
 school spirit. Without a sponsor until the summer of '84,
 the yearbook staff could not be finalized until the first of
 the school year. Driven by sponsor Richard Gross, we
 spent long hours meeting several deadlines until its com-
 pletion on February 22, 1985. We, the staff, assistants,
 and photographers, worked very hard to distribute a
 yearbook of which to be proud and remember for years
 to come. We sincerely hope you enjoy "Off the Wall."

Make R. G.
a dull boy!

All work and no play ...

Our adviser, Mr. Richard Gross, saved the yearbook this year by offering to be sponsor. He carried us through our most difficult problems, he supported us, and even yelled at us when we truly needed it. We are grateful for everything he has done and hope that we may somehow pay him back. Here is a look at Mr. Gross being a little "Off the Wall."

Thank-you "Ooh,"

Welcome

In the 1985 Thunderbolt High School Yearbook, the past 18 years of this school's history, there has never been a book quite like this. Tradition was born in 1967 when we named it "Off the Wall." To meet the demands of the students, we poured more creativity into this book than ever before. This is actually two books in one, combining with Student Life.

We've worked hard to make this book special for everyone, and hope you will enjoy it for years to come.
